

FISCAL NOTE

SB 2842 - HB 2547

January 31, 2000

SUMMARY OF BILL: Creates a competitive grants program in the Department of Health to fund projects testing the effects of biobased products on health and to disseminate data on such products and potential new agricultural based industries.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$100,000

Bill restricts expenditures for the program to \$100,000 annually. Estimate assumes \$100,000 restriction applies to total administrative expenses and grant funds.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
